Hold It up to the Light

Artist: **David Wilcox**

Album: *Big Horizon*

It's the choice of a lifetime - I'm almost sure
I will not live my life in between anymore
If I can't be certain of all that's in store
This far it feels so right
I will hold it up - hold it up to the light,
Hold it up to the light, hold it up to the light

The search for my future has brought me here
This is more than I'd hoped for, but sometimes I fear
That the choice I was made for will someday appear
And I'll be too late for that flight
So I hold it up - hold it up to the light,
Hold it up to the light, hold it up to the light

It's too late - to be stopped at the crossroads
Each life here - a possible way
But wait - and they all will be lost roads
Each road's getting shorter the longer I stay

Now as soon as I'm moving - my choice is good
This way comes through right where I prayed that it would
If I keep my eyes open and look where I should
Somehow all of the signs are in sight
If I hold it up to the light

I said God, will you bless this decision?
I'm scared, Is my life at stake?
But I see if you gave me a vision
Would I never have reason to use my faith?

I was dead with deciding - afraid to choose
I was mourning the loss of the choices I'd lose
But there's no choice at all if I don't make my move
And trust that the timing is right
Yes and hold it up hold it up to the light
Hold it up to the light, hold it up to the light

This Is It

Artist: Kenny Loggins

Album: *Yesterday, Today and Forever*

There have been times in my life
I've been wondering why
Still somehow I believed
We'd always survive
Now I'm not so sure
You're waiting to hear
One good reason to try
But what more can I say
What's left to provide
You think that maybe it's over
Only if you want it to be
Are you gonna wait for your sign, your
miracle
Stand up and fight, This is it
Make no mistake where you are, This
is it
Your back's to the corner, This is it
Don't be a fool anymore, This is it

The waiting is over
No room to run
No way to hide
No time for wondering why
It's here
The moment is now
About to decide
Let him believe
Or leave him behind
But keep me near in your heart
And know, whatever you do
I'm here by your side

You said that maybe it's over
Not if you don't want it to be
For once in your life, here's your
miracle
Stand up and fight, This is it
Make no mistake where you are, This
is it
You're going no further, This is it
Until it's over and done

No one can tell you what you know
Who makes the choice of how it goes
It's not up to me this time
You know
There comes a day in every life, This is
it
Make no mistake where you are, This
is it
You're going no further, This is it
Until it's over and done, This is it
One way or another, This is it
No one can tell what the future holds,
This is it
Your back's to the corner, This is it
You make the choice of how it goes,
This is it
The waiting is over, This is it
No one can tell what the future holds,
This is it
You're going no further

Pure Imagination

Artist: Gene Wilder

Album: *Willy Wonka and The Chocolate Factory Sound Track*

Willy Wonka:

[Spoken]

Hold your breath

Make a wish

Count to three

[Sung]

Come with me

And you'll be

In a world of

Pure imagination

Take a look

And you'll see

Into your imagination

We'll begin

With a spin

Traveling in

The world of my creation

What we'll see

Will defy

Explanation

If you want to view paradise

Simply look around and view it

Anything you want to, do it

Wanta change the world?

There's nothing

To it

There is no

Life I know

To compare with

Pure imagination

Living there

You'll be free

If you truly wish to be

If you want to view paradise

Simply look around and view it

Anything you want to, do it

Wanta change the world?

There's nothing

To it

There is no

Life I know

To compare with

Pure imagination

Living there

You'll be free

If you truly

Wish to be

The Best is Yet To Come

Artist: Frank Sinatra with Count Basie and his Orchestra
Album: *The Very Good Years: Frank Sinatra*

Out of the tree of life, I just picked me a plum
You came along and everything started to hum
Still it's a real good bet, the best is yet to come

The best is yet to come, and won't that be fine
You think you've seen the sun, but you ain't seen it shine
Wait till the warm-up is underway
Wait till our lips have met
Wait till you see that sunshine day
You ain't seen nothin' yet

The best is yet to come, and won't that be fine
The best is yet to come, come the day that your mine
Come the day that your mine
I'm gonna teach you to fly
We've only tasted the wine
We're gonna drain that cup dry

Wait till your charms are right, for the arms to surround
You think you've flown before, but you ain't left the ground
Wait till you're locked in my embrace
Wait till I hold you near
Wait till you see that sunshine place
There ain't nothin' like it here

The best is yet to come, and won't that be fine
The best is yet to come, come the day that your mine

Here Comes The Sun

Artist: Beatles

Album: *Abbey Road*

Here comes the sun, doo da doo doo
Here comes the sun, and I say
It's alright

Little darling
It's been a long, cold, lonely winter
Little darling
It feels like years since it's been here

Here comes the sun
Here comes the sun, and I say
It's alright

Little darling
The smiles returning to the faces
Little darling
It seems like years since it's been here

Here comes the sun
Here comes the sun, and I say
It's alright

Sun, sun, sun, here it comes
Sun, sun, sun, here it comes

Little darling
I see the ice is slowly melting
Little darling
It seems like years since it's been
clear

Here comes the sun, here comes the
sun and i say,
It's alright

Here comes the sun, here comes the
sun and i say,
It's alright

Here comes the sun, here comes the
sun and i say,
It's alright

Life is a Highway

Artist: Rascal Flatts

Album: *Cars Soundtrack*

Well, life's like a road that you travel on
There's one day here and the next day
gone
Sometimes you bend, sometimes you
stand
Sometimes you turn your back to the
wind

There's a world outside every darkened
door
Where Blues won't haunt you anymore
For the brave are free and lovers soar
Come ride with me to the distant shore

We won't hesitate
To break down the guarding gate
There's not much time left today, yeay

Life is a highway, I wanna ride it
All night long
If you're going my way, I wanna drive it
All night long

Through all these cities and all these
towns
It's in my blood and it's all around
I love now like I loved you then
This is the road and these are the hands
From Mozambique to those Memphis
nights
The Khyber Pass to Vancouver's lights

They knock me down
And back up again
You're in my blood
I'm not a lonely man
There's no load I can't hold
The road's so rough this I know
I'll be there when the light comes in
Just tell 'em we're survivors

Life is a highway, I wanna ride it
All night long
If your going my way, I wanna drive it
All night long

Gimme, Gimme, Gimme, Gimme, yeah

Life is a highway, I wanna ride it
All night long (mmmm yeah)
If your going my way, I wanna drive it
All night long

There was a distance between you and I
(between you and I)
A misunderstanding once
But now, we look it in the eye

Ooooo...Yeah!
There ain't no load that I can't hold
The road's so rough this I know
I'll be there when the light comes in
Just tell 'em we're survivors

Life is a highway, I wanna ride it
All night long (all night long, yeah hey)
If your going my way, I wanna drive it
All night long

Life is a highway, I wanna ride it
All night long
If your going my way, I wanna drive it
All night long

Life is a highway, I wanna ride it
All night long
If your going my way, I wanna drive it
All night long

Gimme, Gimme, Gimme, Gimme, yeah
