### Take a Look

Artist: Natalie Cole

Album: *Take a Look*

Take a look in the mirror, look at yourself

But don't you look too close, cause you just might see the person

That you hate the most, Lord, what's happening to this human race

I can't even see one friendly face, brothers fight brothers and sisters wink their eyes

While silver tongues bear fruits of poison lies, take a look at your children

Born innocent, every boy and every girl, denying themselves a real chance

To build a better world, oh! Dear Lord what's happening to your precious dream

I think its washing away on a bloody, bloody stream, yes, take a look at your children

Before it's too late, and tell them nobody, nobody wins when the prize is hate

Oh, no, no, no It's not too late, we gotta tell all of our children

That love, love, love is the way, yeah, yeah

### Strangers Like Me

Artist: Phil Collins

Album: *Tarzan Movie Soundtrack*

Whatever you do, I'll do it too  
Show me everything and tell me how  
It all means something  
And yet nothing to me

I can see there's so much to learn  
It's all so close and yet so far  
I see myself as people see me  
Oh, I just know there's something  
bigger out there

I wanna know, can you show me  
I wanna know about these  
strangers like me  
Tell me more, please show me  
Something's familiar about these  
strangers like me

Every gesture, every move that she  
makes  
Makes me feel like never before  
Why do I have  
This growing need to be beside her

Ooo, these emotions I never knew  
Of some other world far beyond this  
place

Beyond the trees, above the clouds  
I see before me a new horizon

I wanna know, can you show me  
I wanna know about these strangers  
like me  
Tell me more, please show me  
Something's familiar about these  
strangers like me

Come with me now to see my world  
Where there's beauty beyond your  
dreams  
Can you feel the things I feel  
Right now, with you  
Take my hand  
There's a world I need to know

I wanna know, can you show me  
I wanna know about these strangers  
like me  
Tell me more, please show me  
Something's familiar about these  
strangers like me

... I wanna know

### Who Are You

Artist: The Who

Album: *Who Are You*

Who are you?

Who, who, who, who?

I woke up in a Soho doorway

A policeman knew my name

He said "You can go sleep at home tonight

If you can get up and walk away"

I staggered back to the underground

And the breeze blew back my hair

I remember throwin' punches around

And preachin' from my chair

chorus:

Well, who are you? (Who are you?

Who, who, who, who?)

I really wanna know (Who are you?

Who, who, who, who?)

Tell me, who are you? (Who are you?

Who, who, who, who?)

'Cause I really wanna know (Who are

you? Who, who, who, who?)

I took the tube back out of town

Back to the Rollin' Pin

I felt a little like a dying clown

With a streak of Rin Tin Tin

I stretched back and I hiccupped

And looked back on my busy day

Eleven hours in the Tin Pan

God, there's got to be another way

Who are you?

Ooh wa ooh wa ooh wa ooh wa ...

Who are you?

Who, who, who, who?

(chorus)

I know there's a place you walked

Where love falls from the trees

My heart is like a broken cup

I only feel right on my knees

I spit out like a sewer hole

Yet still receive your kiss

How can I measure up to anyone now

After such a love as this?

(chorus)

### I've Been Searching

Artist: Chicago

Album: *Chicago VII*

As my life goes on I believe  
Somehow something's changed  
Something deep inside  
Ooh a part of me

There's a strange new light in my eyes  
Things I've never known  
Changin' my life  
Changin' me

I've been searchin'  
So long  
To find an answer  
Now I know my life has meaning  
Ow oh

Now I see myself as I am  
Feeling very free  
Life is everything  
Ooh it's meant to be  
When my tears have come to an end  
I will understand  
What I left behind

Part of me

I've been searching  
So long  
To find and answer  
Now I know my life has meaning  
Woah woah

Searching  
Don't you know I'm hell yeah  
For an answer  
To the question  
Oh yeah  
For our minds  
Baby  
Baby it's true  
It's only natural  
It's only natural baby, yeah  
Good things  
In life  
Take a long time  
Yeah yeah

### Landslide

Artist: Stevie Nicks

Album: *Chicago VII*

Took my love and I took it down  
Climbed a mountain and I turned around  
And I saw my reflection in the snow covered hills  
Well, the landslide brought me down

Oh, mirror in the sky, what is love?  
Can the child within my heart rise above?  
Can I sail through the changing ocean tides?  
Can I handle the seasons of my life?

Well, I've been afraid of changin'  
'Cause I've built my life around you  
But time makes bolder, children get older  
I'm getting older too, well

Well, I've been afraid of changin'  
'Cause I've built my life around you  
But time makes bolder, children get older  
I'm getting older too, well, I'm getting older too

So take this love and take it down  
Yeah, and if you climb a mountain and you turn around  
And if you see my reflection in the snow covered hills  
Well, the landslide brought down

And if you see my reflection in the snow covered hills  
Well maybe, well maybe, well maybe  
The landslide will bring you down

### Viva la Vida

Artist: Cold Play

Album: *Viva la Vida or Death and All His Friends*

I used to rule the world  
Seas would rise when I gave the word  
Now in the morning I sleep alone  
Sweep the streets I used to own

I used to roll the dice  
Feel the fear in my enemy's eyes  
Listen as the crowd would sing  
"Now the old king is dead! Long live  
the king!"

One minute I held the key  
Next the walls were closed on me  
And I discovered that my castles stand  
Upon pillars of salt and pillars of sand

I hear Jerusalem bells a ringing  
Roman Cavalry choirs are singing  
Be my mirror, my sword and shield  
My missionaries in a foreign field

For some reason I can't explain  
Once you go there was never  
Never an honest word  
And that was when I ruled the world

It was the wicked and wild wind  
Blew down the doors to let me in  
Shattered windows and the sound of

drums  
People couldn't believe what I'd  
become

Revolutionaries wait  
For my head on a silver plate  
Just a puppet on a lonely string  
Oh who would ever want to be king?

I hear Jerusalem bells a ringing  
Roman Cavalry choirs are singing  
Be my mirror, my sword and shield  
My missionaries in a foreign field

For some reason I can't explain  
I know Saint Peter won't call my name  
Never an honest word  
But that was when I ruled the world

I hear Jerusalem bells a ringing  
Roman Cavalry choirs are singing  
Be my mirror, my sword and shield  
My missionaries in a foreign field

For some reason I can't explain  
I know Saint Peter won't call my name  
Never an honest word  
But that was when I ruled the world

### I Am . . . I Said

Artist: Neil Diamond

Album: *Neil Diamond Greatest Hits*

L.A.'s fine, the sun shines most the time

And the feeling is 'lay back'

Palm trees grow, and rents are low

But you know I keep thinkin' about

Making my way back

Well I'm New York City born and raised

But nowadays, I'm lost between two shores

L.A.'s fine, but it ain't home

New York's home, but it ain't mine no more

"I am," I said

To no one there

An no one heard at all

Not even the chair

"I am," I cried

"I am," said I

And I am lost, and I can't even say why

Leavin' me lonely still

Did you ever read about a frog who dreamed of bein' a king

And then became one

Well except for the names and a few other changes

If you talk about me, the story's the same one

But I got an emptiness deep inside

And I've tried, but it won't let me go

And I'm not a man who likes to swear

But I never cared for the sound of being alone

"I am," I said

To no one there

An no one heard at all

Not even the chair

"I am," I cried

"I am," said I

And I am lost, and I can't even say why

Leavin' me lonely still
