I Hope You Dance

Artist: Lee Ann Womack
Album: *I Hope You Dance*

I hope you never lose your sense of wonder
You get your fill to eat
But always keep that hunger
May you never take one single breath for granted
God forbid love ever leave you empty handed
I hope you still feel small
When you stand by the ocean
Whenever one door closes, I hope one more opens
Promise me you'll give faith a fighting chance

And when you get the choice to sit it out or dance
I hope you dance
I hope you dance

I hope you never fear those mountains in the distance
Never settle for the path of least resistance
Living might mean taking chances
But they're worth taking
Lovin' might be a mistake
But it's worth making
Don't let some hell bent heart leave you bitter
When you come close to selling out
Reconsider
Give the heavens above
More than just a passing glance

And when you get the choice to sit it out or dance
I hope you dance
(Time is a real and constant motion

always)
I hope you dance
(Rolling us along)
I hope you dance
(Tell me who)
I hope you dance
(Wants to look back on their youth and wonder)
(Where those years have gone)

I hope you still feel small
When you stand by the ocean
Whenever one door closes, I hope one more opens
Promise me you'll give faith a fighting chance

And when you get the choice to sit it out or dance
Dance

I hope you dance
I hope you dance
(Time is a real and constant motion always)
I hope you dance
(Rolling us along)
I hope you dance
(Tell me who)
(Wants to look back on their youth and wonder)
I hope you dance
(Where those years have gone)

(Tell me who)
I hope you dance
(Wants to look back on their youth and wonder)
(Where those years have gone)

Footloose

Artist: Kenny Loggins

Album: *Yesterday, Today and Tomorrow – Greatest Hits*

I been working so hard
Keep punching my card
Eight hours, for what?
Oh, tell me what I got
I get this feeling
That time's just holding me down
I'll hit the ceiling
Or else I'll tear up this town
Tonight I gotta cut

(Chorus)

Loose, footloose
Kick off your Sunday shoes
Please, Louise
Pull me off a my knees
Jack, get back
C'mon before we crack
Lose your blues
Everybody cut footloose

You're playing so cool
Obeying every rule
Dig way down in your heart
You're yearning, burning for some
Somebody to tell you
That life ain't passing you by
I'm trying to tell you
It will if you don't even try
You can fly if you'd only cut

(Chorus)

Loose, footloose
Kick off your Sunday shoes
Oowhee, Marie
Shake it, shake it for me
Whoa, Milo

C'mon, c'mon let go
Lose your blues
Everybody cut footloose

FIRST - we got to turn you around
SECOND - You put your feet on the
ground
THIRD - Now take a hold of your soul
FOUR - Whoooooooooaa, I'm turning it
Loose, FOOTLOOSE
(Chorus)

Annie's Song

Artist: John Denver

Album: *John Denver's – Greatest Hits*

You fill up my senses
like a night in the forest
like the mountains in springtime,
like a walk in the rain
like a storm in the desert,
like a sleepy blue ocean
you fill up my senses,
come fill me again.

Come let me love you,
let me give my life to you
let me drown in your laughter,
let me die in your arms
let me lay down beside you,
let me always be with you
come let me love you,
come love me again.

(instrumental)

You fill up my senses
like a night in the forest
like the mountains in springtime,
like a walk in the rain
like a storm in the desert,
like a sleepy blue ocean
you fill up my senses,
come fill me again.

Discography – TL Session 4 Space Oddity

Artist: Davie Bowie

Album: *Best of Bowie*

Ground control to major Tom

Ground control to major Tom

Take your protein pills and put your helmet on

(Ten) Ground control (Nine) to major Tom (Eight)

(Seven, six) Commencing countdown (Five), engines on (Four)

(Three, two) Check ignition (One) and may gods (Blastoff) love be with you

This is ground control to major Tom, you've really made the grade

And the papers want to know whose shirts you wear

Now it's time to leave the capsule if you dare

This is major Tom to ground control, I'm stepping through the door

And I'm floating in a most peculiar way

And the stars look very different today

Here am I floatin' 'round my tin can far above the world

Planet Earth is blue and there's nothing I can do

Though I'm past one hundred thousand miles, I'm feeling very still

And I think my spaceship knows which way to go

Tell my wife I love her very much, she knows

Ground control to major Tom, your circuits dead, there's something wrong

Can you hear me, major Tom?

Can you hear me, major Tom?

Can you hear me, major Tom?

Can you...

Here am I sitting in my tin can far above the Moon

Planet Earth is blue and there's nothing I can do

White Flag

Artist: Dido

Album: *Life For Rent*

I know you think that I shouldn't still
love you,
Or tell you that.
But if I didn't say it, well I'd still have
felt it
where's the sense in that?

I promise I'm not trying to make your
life harder
Or return to where we were

I will go down with this ship
And I won't put my hands up and
surrender
There will be no white flag above my
door
I'm in love and always will be

I know I left too much mess and
destruction to come back again
And I caused nothing but trouble
I understand if you can't talk to me
again
And if you live by the rules of "it's
over"
then I'm sure that that makes sense

I will go down with this ship
And I won't put my hands up and
surrender
There will be no white flag above my
door

I'm in love and always will be

And when we meet
Which I'm sure we will
All that was there
Will be there still
I'll let it pass
And hold my tongue
And you will think
That I've moved on....

I will go down with this ship
And I won't put my hands up and
surrender
There will be no white flag above my
door
I'm in love and always will be

I will go down with this ship
And I won't put my hands up and
surrender
There will be no white flag above my
door
I'm in love and always will be

I will go down with this ship
And I won't put my hands up and
surrender
There will be no white flag above my
door
I'm in love and always will be
