For Good

Artist: Kristin Chenoweth & Idina Menzel
Album: *Wicked - Soundtrack*

(Elphaba):
I'm limited
Just look at me - I'm limited
And just look at you
You can do all I couldn't do, Glinda
So now it's up to you
For both of us - now it's up to you...

(Glinda):
I've heard it said
That people come into our lives for a reason
Bringing something we must learn
And we are led
To those who help us most to grow
If we let them
And we help them in return
Well, I don't know if I believe that's true
But I know I'm who I am today
Because I knew you...

Like a comet pulled from orbit
As it passes a sun
Like a stream that meets a boulder
Halfway through the wood
Who can say if I've been changed for the better?
But because I knew you
I have been changed for good

(Elphaba):
It well may be
That we will never meet again
In this lifetime
So let me say before we part
So much of me
Is made of what I learned from you
You'll be with me
Like a handprint on my heart
And now whatever way our stories end
I know you have re-written mine
By being my friend...

Like a ship blown from its mooring
By a wind off the sea

Like a seed dropped by a skybird
In a distant wood
Who can say if I've been changed for the better?
But because I knew you

(Glinda): Because I knew you

(Both): I have been changed for good

(Elphaba):
And just to clear the air
I ask forgiveness
For the things I've done you blame me for

(Glinda):
But then, I guess we know
There's blame to share

(Both): And none of it seems to matter anymore

(Glinda):
Like a comet pulled from orbit
As it passes a sun
Like a stream that meets a boulder
Halfway through the wood

(Elphaba):
Like a ship blown from its mooring
By a wind off the sea
Like a seed dropped by a bird in the wood

(Both):
Who can say if I've been
Changed for the better?
I do believe I have been
Changed for the better

(Glinda): And because I knew you...

(Elphaba): Because I knew you...

(Both): Because I knew you...
I have been changed for good..

You've Got a Friend

Artist: James Taylor

Album: *James Taylor: Greatest Hits*

When you're down and troubled
and you need a helping hand,
and nothing, whoa nothing is going
right.

Close your eyes and think of me
and soon I will be there
to brighten up even your darkest
nights.

You just call out my name,
and you know wherever I am
I'll come running, oh yeah baby
to see you again.
Winter, spring, summer, or fall,
all you got to do is call
and I'll be there, yeah, yeah, yeah.
You've got a friend.

If the sky above you
should turn dark and full of clouds
and that old north wind should begin
to blow
Keep your head together and call my
name out loud now
and soon I'll be knocking upon your
door.
You just call out my name and you
know where ever I am

I'll come running to see you again.
Winter, spring, summer or fall
all you got to do is call
and I'll be there, yeah, yeah, yeah.

Hey, ain't it good to know that you've
got a friend?
People can be so cold.
They'll hurt you and desert you.
Well they'll take your soul if you let
them.
Oh yeah, but don't you let them.

You just call out my name and you
know wherever I am
I'll come running to see you again.
Oh babe, don't you know that,
Winter spring summer or fall,
Hey now, all you've got to do is call.
Lord, I'll be there, yes I will.
You've got a friend.
You've got a friend.
Ain't it good to know you've got a
friend.
Ain't it good to know you've got a
friend.
You've got a friend.

Teach Your Children

Artist: Crosby, Stills Nash

Album: *Crosby, Still, Nash: Greatest Hits*

You Who Are On The Road
Must Have A Code
That You Can Live By
And So Become Yourself
Because The Past
Is Just A Goodbye.

Teach Your Children Well
Their Father's Hell
Will Slowly Go By
And Feed Them On Your Dreams
The One They Picks
The One You'll Know By.

Don't You Ever Ask Them Why
If They Told You, You Wil Cry
So Just Look At Them And Sigh
And Know They Love You.

And You, (Can you hear and)
Of Tender Years (Do you care and)
Can't Know The Fears (Can you see

we)
That Your Elders Grew By (Must be
free to)
And So Please Help (Teach your
children what)
Them With Your Youth (You believe in)
They Seek The Truth (Make a world
that)
Before They Can Die (We can live in)

Teach Your Parents Well
Their Children's Hell
Will Slowly Go By
And Feed Them On Your Dreams
The One They Picks
The One You'll Know By.

Don't You Ever Ask Them Why
If They Told You, You Wil Cry
So Just Look At Them And Sigh
And Know They Love You.

You Are Not Alone

Artist: Eagles

Album: *Long Road Out of Eden*

Say goodbye to all your pain and sorrow
Say goodbye to all those lonely nights
Say goodbye to all your blue tomorrows
Now you're standing in the light

I know sometimes you feel so helpless
Sometimes you feel like you can't win
Sometimes you feel so isolated
You'll never have to feel that way again

You are not alone
You're not alone

Never thought I'd find the road to freedom
Never thought I'd see you smile again
Never thought I'd have the chance to tell you
That I will always be your friend

You are not alone
You're not alone

Don't Know Why

Artist: Norah Jones

Album: *The History of Blue Note*

I waited 'til I saw the sun
I don't know why I didn't come
I left you by the house of fun
I don't know why I didn't come (2x)

When I saw the break of day
I wished that I could fly away
Instead of kneeling in the sand
Catching teardrops in my hand

My heart is drenched in wine
You'll be on my mind
Forever

Out across the endless sea
I would die in ecstasy
But I'll be a bag of bones
Driving down the road alone

My heart is drenched in wine
But you'll be on my mind
Forever

(Instrumental break)

Something has to make you run
I don't know why I didn't come
I feel as empty as a drum
I don't know why I didn't come (3x)

As Time Goes By

Artist: Natilie Cole

Album: *Love Essentials*

This day and age we're living in
Gives cause for apprehension
With speed and new invention
And things like fourth dimension.

Yet we get a trifle weary
With Mr. Einstein's theory.
So we must get down to earth at times
Relax relieve the tension

Of And no matter what the progress
Or what may yet be proved
The simple facts life are such
They cannot be removed

You must remember this
A kiss is just a kiss, a sigh is just a
sigh.
The fundamental things apply
As time goes by.

And when two lovers woo

They still say, "I love you."
On that you can rely
No matter what the future brings
As time goes by.

Moonlight and love songs
Never out of date.
Hearts full of passion
Jealousy and hate.
Woman needs man
And man must have his mate
That no one can deny.

It's still the same old story
A fight for love and glory
A case of do or die.
The world will always welcome lovers
As time goes by.

Oh yes, the world will always welcome
lovers
As time goes by.

Where Are You Going

Artist: Dave Matthews Band

Album: *Busted Stuff*

Where are you going?
With your long face
Pulling down
Don't hide away
Like an ocean
That you can't see but you can smell
And the sound of the waves crash
down
I am no Superman
I have no reasons for you
I am no hero
Oh, that's for sure
But I do know one thing
Is where you are is where I belong
I do know where you go
Is where I want to be

Where are you going?
Where do you go?

Are you looking for answers
To questions under the stars?
Well, if along the way
You are grown weary
You can rest with me until
A brighter day and you're okay

I am no Superman
I have no answers for you

I am no hero
Oh, that's for sure
But I do know one thing
Is where you are is where I belong
I do know where you go
Is where I want to be

Where are you going?
Where do you go?

Where do you go?
Where are you going?

Where do you go?

I am no Superman
I have no answers for you
I am no hero
Oh, that's for sure
But I do know one thing
Is here you are is where I belong
I do know where you go
Is where I want to be

Where are you going?
Where do you go?
Tell me, where are you going?
Where?
Well, let's go

Halo

Artist: Beyonce

Album: *I Am . . .*

Remember those walls I built
Well, baby they're tumbling down
And they didn't even put up a fight
They didn't even make up a sound

I found a way to let you in
But I never really had a doubt
Standing in the light of your halo
I got my angel now

It's like I've been awakened
Every rule I had you breakin'
It's the risk that I'm takin'
I ain't never gonna shut you out

Everywhere I'm looking now
I'm surrounded by your embrace
Baby I can see your halo
You know you're my saving grace

You're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray it won't fade away

I can feel your halo halo halo
I can see your halo halo halo
I can feel your halo halo halo
I can see your halo halo halo

Hit me like a ray of sun
Burning through my darkest night
You're the only one that I want
Think I'm addicted to your light

I swore I'd never fall again
But this don't even feel like falling
Gravity can't forget

To pull me back to the ground again

Feels like I've been awakened
Every rule I had you breakin'
The risk that I'm takin'
I'm never gonna shut you out

Everywhere I'm looking now
I'm surrounded by your embrace
Baby I can see your halo
You know you're my saving grace

You're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray it won't fade away

I can feel your halo halo halo
I can see your halo halo halo
I can feel your halo halo halo
I can see your halo halo halo

Everywhere I'm looking now
I'm surrounded by your embrace
Baby I can see your halo
You know you're my saving grace

You're everything I need and more
It's written all over your face

Just Another Day

Artist: Jon SECADA

Album: *Jon Secada*

Morning alone
When you come home
I breath a little faster
Every time we're together
It'd never be the same
If you're not here
How can you stay away, away so long.

Why can't we stay together
Give me a reason
Give me a reason.

[Chorus]
I, I don't wanna say it
I don't wanna find another way
Make it through the day without you
It's just another day

Making the time
Find the right lines

What do I have to tell you

I'm just trying to hold on to something
(Trying to hold on to something good)
Give us a chance to make it.

Don't wanna hold on to never
I'm not that strong
I'm not that strong.

I, I don't wanna say it
I don't wanna find another way
Make it through the day without you
I, I can't resist
Trying to find exactly what I miss
It's just another day without you.

Why can't you stay forever
Just give me a reason
Give me a reason.

You Raise Me Up

Artist: Josh Groban

Album: *Closer*

When I am down and, oh my soul, so weary;
When troubles come and my heart burdened be;
Then, I am still and wait here in the silence,
Until you come and sit awhile with me.

You raise me up, so I can stand on mountains;
You raise me up, to walk on stormy seas;
I am strong, when I am on your shoulders;
You raise me up: To more than I can be.

You raise me up, so I can stand on mountains;
You raise me up, to walk on stormy seas;
I am strong, when I am on your shoulders;
You raise me up: To more than I can be.

There is no life - no life without its hunger;
Each restless heart beats so imperfectly;
But when you come and I am filled with wonder,
Sometimes, I think I glimpse eternity.

You raise me up, so I can stand on mountains;
You raise me up, to walk on stormy seas;
I am strong, when I am on your shoulders;
You raise me up: To more than I can be.

You raise me up, so I can stand on mountains;
You raise me up, to walk on stormy seas;
I am strong, when I am on your shoulders;
You raise me up: To more than I can be.

Save Sombody

Artist: Janis Ian

Album: *Billie's Bones*

In the heart of the city
Is the beat of a soul?
And it stares out the window
As the cars come and go

And it hungers for heroes
And it dreams of open skies
And there's no expectation
That the sun will rise

You better save somebody
Save somebody
Before the moment slips away
You better save somebody
Who?!! be lonely?
When you walk away

There's a crack in the heavens
And a tear in the sky
It cuts through the shadows
Living in her eyes

And the gates of the city
Are closed until dawn

When the ghosts of midnight
Have come and gone
And the hearts of the weary carry on

You better save somebody
Save somebody
Before the moment slips away
You better save somebody
Who?!! be lonely?
When you walk away

And I'm thinking of your silence
How the memory lingers on
And I wonder do you miss me
Now that I am gone, now that I am
gone

You better save somebody
Save somebody
Before the moment slips away

You better save somebody
Who?!! be lonely?
When you walk away

Son of a Son of a Sailor

Artist: Jimmy Buffett

Album: *Songs You Know By Heart*

As the son of a son of a sailor
I went out on the sea for adventure
Expanding the view of the captain and crew
Like a man just released from indenture

As a dreamer of dreams and a travelin' man
I have chalked up many a mile
Read dozens of books about heroes and crooks
And I learned much from both of their styles

Chorus:

Son of a son, son of a son
Son of a son of a sailor
Son of a gun, load the last ton
One step ahead of the jailer

Now away in the near future
Southeast of disorder
You can shake the hand of the mango man

As he greets you at the border
[Find more Lyrics on
<http://mp3lyrics.org/9pR>]

And the lady she hails from Trinidad
Island of the spices

Salt for your meat, and cinnamon sweet
And the rum is for all your good vices

Haul the sheet in as we ride on the wind
That our forefathers harnessed before us
Hear the bells ring as the tight rigging sings
It's a son of a gun of a chorus

Where it all ends I can't fathom my friends
If I knew I might toss out my anchor
So I cruise along always searchin' for songs
Not a lawyer a thief or a banker

But a son of a son, son of a son
Son of a son of a sailor
Son of a gun, load the last ton
One step ahead of the jailer

I'm just a son of a son, son of a son
Son of a son of a sailor
The sea's in my veins, my tradition remains

I'm just glad I don't live in a trailer

This is Us

Artist: Mark Knopfler & Emmy Lou Harris

Album: *All The Roadrunning*

This is us down at the Mardi Gras
This is us In your Daddy's Car
You and the missing link
Yeah, I'd had a little too much to drink, now
Too long in the sun
Having too much fun
You and me and our memories
This is us

Rocking at the barbecue
Yeah, when we said I do
Hand jiving on the Ballroom floor
You in that wedding coat you wore
And you in that amazing dress
I was stoned on love I guess
You and me we were meant to be
This is us

This is us on our Honeymoon
In our hotel room
Sitting by the wishing well
Checking out of the love motel
Making plans for the sunshine state
Waiting at the terminal gate
You and me making history
This is us

And our baby boy
With our pride and joy
You at the Sunday Game
Standing next to What's hisname?
On our Anniversary
With the family
You and me and our memories
This is us
