### Beautiful Day

Artist: U2

Album: *All That You Can't Leave Behind*

The heart is a bloom  
Shoots up through the stony ground  
There's no room  
No space to rent in this town

You're out of luck  
And the reason that you had to care  
The traffic is stuck  
And you're not moving anywhere

You thought you'd found a friend  
To take you out of this place  
Someone you could lend a hand  
In return for grace

It's a beautiful day  
Sky falls, you feel like  
It's a beautiful day  
Don't let it get away

You're on the road  
But you've got no destination  
You're in the mud  
In the maze of her imagination

You love this town  
Even if that doesn't ring true  
You've been all over  
And it's been all over you

It's a beautiful day  
Don't let it get away  
It's a beautiful day

Touch me  
Take me to that other place  
Teach me  
I know I'm not a hopeless case

See the world in green and blue  
See China right in front of you  
See the canyons broken by cloud  
See the tuna fleets clearing the sea  
out  
See the Bedouin fires at night  
See the oil fields at first light  
And see the bird with a leaf in her  
mouth  
After the flood all the colors came out

It was a beautiful day  
Don't let it get away  
Beautiful day

Touch me  
Take me to that other place  
Reach me  
I know I'm not a hopeless case

What you don't have you don't need it  
now  
What you don't know you can feel it  
somehow  
What you don't have you don't need it  
now  
Don't need it now  
Was a beautiful day

### Sun On The Moon

Artist: James Taylor  
Album: *James Taylor Live*

In line, in line, it's all in line  
My ducks are all in a row  
They do not change, they do not move  
They have nowhere to go

I've been talking to a friend of mine  
He says making money's just a waste  
of time  
He's a lazy gent, he don't pay no rent  
He's all bent out of shape from living  
in a tent  
It's hard to hear what he has to say  
'Cause everyone around me is just the  
same way:

More, more, daddy gimme some,  
gimme some  
More, more, daddy gimme some more

Some kind of funny looking money  
machine it is  
Saddest looking people that I've ever  
seen  
Living in a hole, body and soul  
Strung out on the company dole

One for a nickel and two for a dime  
Time may be money but your money  
won't buy time

In line, in line, it's all in a line  
My ducks are all in a row  
They do not shift, they do not move  
They have nowhere to go

Me and my flea we were down by the  
water  
Fell in a hole with Superman's  
daughter  
Living alone, chewing on a bone  
Pretty as homemade sin  
She had to be high by the look in her  
eye  
Her hands were wet and her mouth  
was dry  
The sun on the moon, the sun on the  
moon  
The sun on the moon made a mighty  
nice light

Bow wow wow, honk your horn

In line, in line, it's all in line  
My ducks are all in a row  
They do not change, they do not move  
They have nowhere to go

Sometimes I'm hungry, I don't know  
what to do  
You can take a taco to Katama too

### What a Wonderful World

Artist: Louis Armstrong

Album: *Louis Armstrong's All Time Greatest Hits*

I see trees of green, red roses too  
I see them bloom for me and you  
And I think to myself what a wonderful  
world.

I see skies of blue and clouds of white  
The bright blessed day, the dark sacred  
night  
And I think to myself what a wonderful  
world.

The colors of the rainbow so pretty in  
the sky  
Are also on the faces of people going by  
I see friends shaking hands saying how  
do you do  
They're really saying I love you.

I hear babies cry, I watch them grow  
They'll learn much more than I'll never  
know  
And I think to myself what a wonderful  
world  
Yes I think to myself what a wonderful  
world.
